HELP YOUR CHILD LEARN AND GROW!
Try these fun and easy activities with your 4-year-old—a great way to have fun together and encourage your child’s healthy development.

Invite your child to play a counting game. Using a large piece of paper, make a simple game board with a straight path. Use dice to determine the count. Count with your child, and encourage her to hop the game piece to each square, counting each time the piece touches down.

Play the “guess what will happen” game to encourage your child’s problem-solving and thinking skills. For example, during bath time, ask your child, “What do you think will happen if I turn on the hot and cold water at the same time?” or “What would happen if I stacked the blocks to the top of the ceiling?”

Play “bucket hoops.” Have your child stand about 6 feet away and throw a medium-size ball at a large bucket or trash can. For fun outdoors on a summer day, fill the bucket with water.

Make a bean bag to catch and throw. Fill the toe of an old sock or pantyhose with 3/4 cup dry beans. Sew the remaining side or tie off with a rubber band. Play “hot potato” or simply play catch. Encourage your child to throw the ball overhand and underhand.

Go on a walk and pick up things you find. Bring the items home and help your child sort them into groups. For example, groups can include rocks, paper or leaves. Encourage your child to start a collection of special things. Find a box or special place where he can display the collection.

“Write” and mail a letter to a friend or relative. Provide your child with paper, crayons or pencil, and an envelope. Let your child draw, scribble, or write; or he can tell you what to write down. When your child is finished, let him fold the letter to fit in the envelope, lick, and seal. You can write the address on the front. Be sure to let him decorate the envelope as well. After he has put the stamp on, help mail the letter.

Play “circus.” Find old, colorful clothes and help your child put on a circus show. Provide a rope on the ground for the high wire act, a sturdy box to stand on to announce the acts, fun objects for a magic act, and stuffed animals for the show. Encourage your child’s imagination and creativity in planning the show. Don’t forget to clap.
FUN & EASY SOCIAL-EMOTIONAL ACTIVITIES
Try these activities with your 4-year-old—a great way to have fun together and support your child’s social-emotional development.

Introduce a new feeling each day, such as bored. Use pictures, gestures, and words. Encourage your child to use a variety of words to describe how he feels.

Encourage activities that involve sharing, such as building with blocks, coloring with crayons, and playing dress up. Teach your child how to ask a friend for a turn. Give your child a lot of time to play with other children.

Provide opportunities for your child to be creative. Empty containers, glue, newspapers, rubber bands, and magazines can be used to make new inventions.

Make puppets out of Popsicle sticks by gluing on paper faces, adding yarn for hair, and so forth. Put on a show about two children who meet and become friends.

When doing housework or yard work, allow your child to do a small part on his own. Let him empty the wastebasket or clean crumbs off the table.

Take your child to the library for story hour. She can learn about sitting in a group and listening to stories.

Take your child to the store, a restaurant, or the library. Explore new places. Talk with her about how people are alike and how they are different.
