

Activities

AGE 4

HELP YOUR CHILD LEARN AND GROW!

Try these fun and easy activities with your 4-year-old—a great way to have fun together and encourage your child's healthy development.

Invite your child to play a **counting game**. Using a large piece of paper, make a simple game board with a straight path. Use dice to determine the count. Count with your child, and encourage her to hop the game piece to each square, counting each time the piece touches down.

Play the **"guess what will happen"** game to encourage your child's problem-solving and thinking skills. For example, during bath time, ask your child, "What do you think will happen if I turn on the hot and cold water at the same time?" or "What would happen if I stacked the blocks to the top of the ceiling?"

Play **"bucket hoops."** Have your child stand about 6 feet away and throw a medium-size ball at a large bucket or trash can. For fun outdoors on a summer day, fill the bucket with water.

Make a **bean bag** to catch and throw. Fill the toe of an old sock or pantyhose with 3/4 cup dry beans. Sew the remaining side or tie off with a rubber band. Play "hot potato" or simply play catch. Encourage your child to throw the ball overhand and underhand.

Go on a **walk** and pick up things you find. Bring the items home and help your child **sort them into groups**. For example, groups can include rocks, paper or leaves. Encourage your child to start a collection of special things. Find a box or special place where he can display the collection.

"Write" and mail a letter to a friend or relative. Provide your child with paper, crayons or pencil, and an envelope. Let your child draw, scribble, or write; or he can tell you what to write down. When your child is finished, let him fold the letter to fit in the envelope, lick, and seal. You can write the address on the front. Be sure to let him decorate the envelope as well. After he has put the stamp on, help mail the letter.

Play **"circus."** Find old, colorful clothes and help your child put on a circus show. Provide a rope on the ground for the high wire act, a sturdy box to stand on to announce the acts, fun objects for a magic act, and stuffed animals for the show. Encourage your child's imagination and creativity in planning the show. Don't forget to clap.
